Finding the Power Stone will be impossible!
Thanks to this snowstorm though, the landscape has changed
Hey wait
Doesn't that snow mountain look suspicious?
It kinda looks like the one in the picture
Help me out already!!
Its dangerous in here due to the snow blindness so you should try to be more careful

It's decided then!
That's a good idea!
That's it! We can make a cave, and it'll protect us from the storm!
Leave the hole making to me and my Spin Attack!
It doesn't have to be that deep!
No worries! Also get ready since I am almost done!
スポン…

ぷしゃあああ
You dug too deep!!

Let's stay here until the storm calms down
I thought I was gonna die

Nothing in this world is free. If there is something wrong with someone it's with you!
Whats wrong with me??
What's with this penquin ?!
You can see it in this photo
Pow What is it?
We're looking for a stone called "Power Stone". Do you have any clues about where it could be?
Wait!
So if you're not paying have a good day then

ちゃらら～ん♪
It's Gurin-chan!!
ガーしゃあ!

You know where it is?!
It's!
ぶるぶるぶる

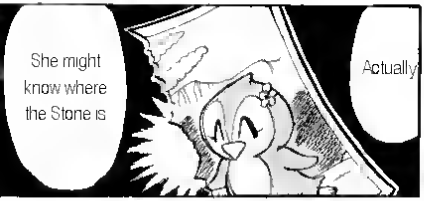
You see, Gurin-chan is an idol among penguins!
ちゅっ ちゅっ
Since you didn't know, I might forgive you

You forced her to take a picture with you, didn't you?! How dare you!!
G... Gurin...?



Actually
She might know where the Stone is

Oh, thanks!
Oil leave that to me. I know where she is!
But we don't know where she is right now
But first, let us discuss the prize
Penta-kun!
If you don't want to, fine
Why do we have you pay you?!

Haven't I told you countless times already not to do things like that!
Gurin-chan!
It's her!

Excuse me
After all this work I've done and time I've spent... I've finally become irresistable!
Oi oi

Penta please save Crash !

You can trust his life in my hands now
HAGAH?!

You've been swimming so long that I thought you might want to eat something now!

Gunn-chan!

Gunn-chan loves ice cream!

I think this is really good!
Penta-kun!
しょり しょり しょり
Now excuse me there's one important thing I need to take care of quick!
Haha!
I think I finally realized that you are the best! ♡
Thank you!
Penta-kun!
She changes her mind a lot

He did all that to get her heart I feel inspired!
He actually ate some
うげぇ
Gurin-chan's cooking abilities are the worst
Why?
Though I think it'll be hard for you to go back with it
Now then I'll take you to the Power Stone
Since it's in the middle of such a huge ice mountain!
HEEE!?
ど゛ど゛ど゛ど゛ん

!
It sure would've been fun if I had had all this ice back in Tasmania...
What?!
We're taking this ice berg with us!
Not true!
It probably is impossible to get the Stone...
You can sell the ice as ice cream, and once it's all gone... we get the Stone!
Penta, you should come with us too!
What are you planning to do with all that ice?!
Wait what?!

Fu fu fu
But how will we
It's decided then!
Gunn-chan, you come too!
That's a great idea!
Actual!
Now we just have to pull the ice berg there!
To Tasmania!
Do your best! This is the only way to get the Stone!
Ugh

Oh, too much weight!
Some one has to jump off first!
Ow ow ow ow!!
Well, we going or not?
Oh..
How's it now?
